UPDATE North 27th Street Construction Project

Beginning Monday, October 14th, North 27th Street from W. State Street to West Wells Street will be completely closed to traffic, as private utility work will commence. This closure is expected to last one week.

However, the intersections at 27th St. and State St. and 27th and Wells St. will remain open to east/west traffic.

Southbound traffic will be re-routed to North 35th Street. A fixed message sign with an arrow will be placed at N. 27th St. and W. Highland Blvd to direct motorists to use N. 35th St.

Southbound Milwaukee County Transit buses will be re-routed as follows:

- At N. 27th St. and Highland Boulevard, buses will turn left (east) to N. 26th St.
- At N. 26th St., they will turn right (south) to W. Wisconsin Ave.
- At Wisconsin, buses will turn right (west) to N. 27th St.
- At N. 27th St., they will turn left (south) and continue south

Temporary “NO PARKING – TOW AWAY ZONE” signs will be installed on N. 26th St., as well as temporary BUS STOP signs and information on how and where the bus stops have moved.
